JETALON ENGAGES GULF CHEMICAL AS REP IN SINGAPORE AND MALAYSIA

Gulf Introduces Process Transparent, Real-Time Chemical Monitors

to Asian Semiconductor and Petrochemical Industries

Pleasant Hill, CA – April 19, 2010 Jetalon Solutions, Inc., a market leader in liquid chemical monitor and control systems, announced today that it engaged Gulf Chemical to represent its breakthrough liquid chemical concentration monitors in Asia. Gulf Chemical has distributed specialty products to the semiconductor and petrochemical industries across the Asia Pacific for over a decade.

“We chose Gulf Chemical to represent our products because of their established reputation in a key growth market for us,” said Ron Chiarello, Ph.D., President and CEO of Jetalon. “The key players already work with Gulf Chemical.”

“We have been very selective in the partners we choose to represent over the past decade to add to our portfolio of premium brands which includes DuPont, Kaydon and many other world class companies. Jetalon is a perfect fit for us because of their high product quality and strong management team.” said Lauren Li, Marketing Director of Gulf Chemical Singapore.

“The spectacular growth of the semiconductor and petrochemical manufacturing markets in Asia makes cost reduction the key element in competitive success,” added Dr. Chiarello. “Our liquid chemical concentration monitors provide data in real-time, a huge
